COLOURFUL *COSINESS*

How much colour can a home take? If you ask us: plenty. A colourful cushion, a special lamp, a few candles – and suddenly the sofa becomes a place you hardly want to leave. Our cover shows how it can look: knitted blankets and cushions in bold colours (p. 14) together with the new Juno lamp (p. 6) and the Lucia candle tray (p. 47) bring cosiness all year round.

This is just the beginning. Keep turning the pages and discover many more home accessories, kitchen helpers, fashion and games that make your everyday life more colourful – for yourself or as a gift.

Enjoy!
