Colourful and cosy through autumn

As soon as it gets cooler outside, we retreat indoors – to warm light, soft blankets and everything that makes autumn so wonderful. Our new Ole Mini brings just the right glow to grey days, along with knitted blankets to snuggle up in and cushions that make the sofa even more inviting.

And if you're already looking forward to Advent and Christmas, you've come to the right place: for the most wonderful time of year, we also have plenty of new products ready – for giving, decorating and treating yourself.

Everything that catches your eye, and much more, can be found in our online shop at **remember.de** – with plenty of gift ideas for young and old.

Enjoy discovering!
